

**Small Fiber Art Silent Auction
2018 WMQFA Fundraiser
Event Date, August 9 2018**

Small is beautiful...small fiber art, that is.

This is a “shout out” to all fiber artists who would like to support WMQFA with a small fiber art piece donation to our 2018 Fundraiser.

ENTRY REQUIREMENTS

All fibers are welcome. Your piece may be a quilt, weaving, knitted, punch needle, hooked rug, wood, paper, wool or mixed media. It may be 2D or 3D.

The maximum dimension of 2-dimensional pieces is 14 x 14 inches, or a total perimeter measurement of 56 inches.

3-dimensional pieces can be no taller, and no wider than 14 inches.

There is no minimum dimension requirement.

FINISHING

Each piece must be suitable for hanging, but the finishing technique is up to the artist. You may choose to frame, or stretch the piece over a frame, or sew a sleeve on the back, or finish with some other technique that would make the piece ready to hang on a wall.

SUBMIT YOUR ART ANY TIME AFTER JANUARY 1st, 2018, and no later than JUNE 1.

You may send your art piece or drop it off at the museum Gift Shop any time after January 1st. Note that the Gift Shop hours are Monday through Saturday, 10 to 4 PM, and Sunday, noon to 4 PM. We are closed Mondays and Tuesdays.

The final deadline for submissions is June 1st.

LABEL YOUR PIECE

On the back of your art piece, fix a label that reads:

PRICING

Give us an estimated value for your piece. We will take it in to consideration when setting auction “buy it now” prices and minimum bids. WMQFA reserves the right to have the final decision on pricing of all small art donations. If any pieces do not get bids during the auction, they will go to our Gift Shop for sale.
